Today, upon a call or a knock on the door, many **spouses** and **families** of our country's **wounded and fallen** servicemen take on new roles as caregivers and financial providers. In most cases they do so with a strength and grace beyond their years, never allowing their families or themselves to give into the physical and emotional challenges they face. To **honor** their courage and tenacity, **Hope For The Warriors™** will recognize these **unsung warriors** in its 2nd Annual Scholarship Ceremony and Homefront Hero Celebration at **Fort Hamilton Community Club, Brooklyn, NY.**

During the evening celebration, **four \$5,000 scholarships** will be awarded to three spouses of wounded warriors and one spouse of a fallen Marine. Recipients of the 2007 Hope For The Warriors™ scholarships are, Susan Callendar (**USMC**), Meaghan Long (**USA**), Melanie Morgan (**USA**) and Stephanie Swisher (**USMC, fallen**). Hope For The Warriors™ will fly the recipients and their family members to New York City for the weekend.

In further tribute, family members of area wounded and fallen who have been invited to attend the Homefront Hero Celebration, will be awarded a special acknowledgment of their dedication and ability to carry hope in search of tomorrow's dream.

Hope for the Warriors™ is a non-profit organization created to enhance the quality of life for US Service Members and their families nationwide who have been adversely affected by injuries or death in the line of duty.
